Annual Giving Annuity Schedule (based on a one-time gift of this amount):

Community School offers the option of a one-time gift to Annual Giving, which will credit your participation in the Annual Giving campaign for as many years as your arrangement allows and at your desired level of giving. This gift would be 100% deductible in the year it is given.

For example: Your youngest child is in JK and you would like to participate at the Parent Partnership level. That level is \$2,080 today and is expected to rise every year with inflation. With a one-time gift of \$14,880 today, you will be guaranteed to be listed at the Parent Partnership level every year until your child graduates.

How do you bridge the gap . . . ?
