Community School offers the option of a one-time gift to Annual Giving, which will credit your participation in the Annual Giving Campaign at your desired level of giving for as many years as your arrangement allows. This gift would be 100% deductible in the year it is given.

For example: Your youngest child is in JK and you would like to participate at the Parent Partnership level. That level is \$2,150 today and is expected to rise every year with inflation. With a one-time gift of \$15,380 today, you will be guaranteed to be listed at the Parent Partnership level every year until your child graduates.
